Issues in Financial Reporting

International Accounting Standards

Two sets of standards accepted for international use:

• IAS (International Accounting Standards)

• International Financial Reporting Standards (IFRS)

IAS and IFRS require that global markets will accept

it if only one set of GAAP is used.

ALLAMA IQBAL OPEN UNIVERSITY, ISLAMABAD

Level: M.B.A. Semester: Spring, 2007

Paper: Financial Accounting (528) Maximum Marks: 100

Time Allowed: 3-hours Old Scheme: Passing Marks: 33

New Scheme: Passing Marks: 50

NOTE: ATTEMPT ANY FIVE QUESTIONS. ALL CARRY EQUAL MARKS.

Q#1	What is a compound journal entry? What is the purpose of trial balance? What is accounting cycle? List down the various financial statements?	05 05 06 04
Q#2	See Cat, Inc. operates a large catamaran which takes tourists at several island resorts on diving and sailing excursions. Company adjusts and closes its accounts at the end of each month. Selected account balances as of June 30, 1993, reflect the following:	20
	Prepaid rent: Rs. 6,000 Unexpired Insurance: 1,400 Catamaran 46,200 Accumulated Depreciation: Catamaran Rs. 9,240 Unearned passenger revenue 825 Other Data: Six months' rent had been prepaid on June 1. The unexpired insurance is a 12 months fire insurance policy purchased on March 1. The catamaran is being depreciated over a 10 year estimated useful life, with no residual value. The unearned passenger revenue represents tickets good for future rides sold to a resort hotel for Rs. 15 per ticket on June 1. During June, 145 of the tickets were used.	
A. Determine:	The monthly rent expense. the original cost of the 12 month fire insurance policy. The age of the Catamaran in months. How many Rs. 15 tickets for future rides were sold to the resort hotel on June 1?	
B. Prepare the adjusting entries which were made on June 30.		
Q#3	On April 1, 1993, Merrimac Corporation sold merchandise to Jaferson Davis Company in exchange for a note receivable due in one year. The note was drawn in the face amount of Rs. 189,200, which included the principal amount and an interest charge. In its December 31, 1993 balance sheet, Merrimac Corporation correctly presented the note receivable as follows: Note receivable, due Mar. 31, 1994.....Rs. 189,200 Less: Discount on note receivable.....3,300 Rs. 185,900 Determine the monthly interest revenue earned by the Corporation from this note. Compute the amount of interest revenue recognized by the Corporation during 1993. Compute the sales revenue recognized by the Corporation on April 1, 1993, when this note was received. Compute the effective annual rate of interest represented by the interest charge originally included in the face amount of the note. Prepare all necessary journal entries relating to this note in 1993 and 1994. Note was met at maturity.	20
Q#4	Westlake accessories needs to determine the approximate amount of inventory at the end of each month without taking a physical inventory of merchandise in the shop. From the following information, you are to estimate the cost of goods sold and the cost of the July 31 inventory by the RETAIL METHOD of inventory valuation.	20
	Inventory of merchandise, June 30 Cost Price Retail Price Rs. 264,800 Rs. 400,000 Purchase during July 170,400 240,000 Goods available for sale during July Rs. 435,200 Rs. 640,000 Net Sales during July Rs. 275,200	
Q#5	a. What is the distinction between a capital expenditure and revenue expenditure? b. Under what circumstances good will should be recorded in the account? c. Identify two problems that may arise in attempting to account for the possible impairment of long lived assets?	08 07 05
Q#6	a. Abrams and Boling are partners with capital account balances of Rs. 102,000 and Rs. 63,000. They divide profits and losses one third to Abrams and two third to Boling. The partnership has been quite profitable and has an excellent reputation. Abrams and Boling agree to admit Cato to a one third equity in the partnership for an investment of Rs. 105,000. The assets of the business are not to be revalued. Explain how the bonus to the old partners is computed and prepare a general entry to record the admission of Cato. b. What is meant by mutual agency?	15
Q#7	a) What is the purpose of Stock Split? b) Identify three items that may appear in the statement of retained earnings as changes in the amount of retained earnings? c) A statement of shareholder equity sometimes is described as an expanded statement of retained earnings. Why?	05 06 06 08
Q#8	On December 31, 1993, Camelot Hotel & Casino issued Rs. 9 million per value, 8 $\frac{1}{2}$ %, 10 year bonds payable with interest dates of March 1 and September 1. The company maintains its accounts on a calendar year basis and follows the policy of amortizing bond discount and bond premium by the effective interest method at the semi annual interest payment dates as well as at the year end adjusting of the accounts. a) Prepare the necessary journal entries to record the following transactions, assuming that the bonds were sold for Rs. 8,700,000 a price resulting in an effective annual interest rate of 9%. 1. Sale of the bonds on September 1, 1993. 2. Adjustments at December 31, 1993. 3. Payment of Bond interest and amortization of discount on March 1, 1994. b) Assume that the Sale Price of the bonds on September 1, 1993 had been journal entries parallel to those called for in (part a) above at the dates of September 1, 1993; December 31, 1993; and March 1, 1994. c) State the amounts of bonds interest expense for 1993; and the net amount of the liability for the bonds payable at December 31, 1993, under the independent assumptions set forth in both a and b above. Show your computations.	20

Section 2 – Accounting Statements 2020/21

	Non-current Assets	Notes and guidance
1. Advances/receivables	1.1 Advances/receivables	Total amount of advances/receivables as at the beginning of the year less amounts written off or recovered during the year. This figure must agree with the opening balance in the financial records. Values must agree to the nearest rupee.
2. Inventories	2.1 Inventories	Total amount of inventories as at the beginning of the year less amounts written off or recovered during the year. This figure must agree to the nearest rupee.
3. Fixed assets	3.1 Fixed assets	Total amount of fixed assets as at the beginning of the year less amounts written off or recovered during the year. This figure must agree to the nearest rupee.
4. Current assets	4.1 Current assets	Total amount of current assets as at the beginning of the year less amounts written off or recovered during the year. This figure must agree to the nearest rupee.
5. Current liabilities	5.1 Current liabilities	Total amount of current liabilities as at the beginning of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
6. Non-current Liabilities	6.1 Non-current Liabilities	Total amount of non-current liabilities as at the beginning of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
7. Net Assets	7.1 Net Assets	Total assets less total liabilities as at the beginning of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
8. Total Capital and Reserves	8.1 Total Capital and Reserves	Total amount of capital and reserves as at the beginning of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
9. Total Equity	9.1 Total Equity	Total amount of equity as at the beginning of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
10. Total Assets	10.1 Total Assets	Total assets as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
11. Total Liabilities	11.1 Total Liabilities	Total amount of liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
12. Total Capital and Reserves	12.1 Total Capital and Reserves	Total amount of capital and reserves as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
13. Total Equity	13.1 Total Equity	Total amount of equity as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
14. Total Assets less Liabilities	14.1 Total Assets less Liabilities	Total assets less total liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
15. Non-current Assets less Liabilities	15.1 Non-current Assets less Liabilities	Total non-current assets less total non-current liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
16. Current Assets less Liabilities	16.1 Current Assets less Liabilities	Total current assets less total current liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
17. Net Assets	17.1 Net Assets	Total assets less total liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
18. Total Assets less Liabilities	18.1 Total Assets less Liabilities	Total assets less total liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
19. Total Capital and Reserves less Liabilities	19.1 Total Capital and Reserves less Liabilities	Total capital and reserves less total liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
20. Total Equity less Liabilities	20.1 Total Equity less Liabilities	Total equity less total liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
21. Non-current Assets less Liabilities	21.1 Non-current Assets less Liabilities	Total non-current assets less total non-current liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
22. Current Assets less Liabilities	22.1 Current Assets less Liabilities	Total current assets less total current liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
23. Total Assets less Liabilities	23.1 Total Assets less Liabilities	Total assets less total liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
24. Total Capital and Reserves less Liabilities	24.1 Total Capital and Reserves less Liabilities	Total capital and reserves less total liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
25. Total Equity less Liabilities	25.1 Total Equity less Liabilities	Total equity less total liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
26. Non-current Assets less Liabilities	26.1 Non-current Assets less Liabilities	Total non-current assets less total non-current liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
27. Current Assets less Liabilities	27.1 Current Assets less Liabilities	Total current assets less total current liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
28. Total Assets less Liabilities	28.1 Total Assets less Liabilities	Total assets less total liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
29. Total Capital and Reserves less Liabilities	29.1 Total Capital and Reserves less Liabilities	Total capital and reserves less total liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
30. Total Equity less Liabilities	30.1 Total Equity less Liabilities	Total equity less total liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
31. Non-current Assets less Liabilities	31.1 Non-current Assets less Liabilities	Total non-current assets less total non-current liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
32. Current Assets less Liabilities	32.1 Current Assets less Liabilities	Total current assets less total current liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
33. Total Assets less Liabilities	33.1 Total Assets less Liabilities	Total assets less total liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
34. Total Capital and Reserves less Liabilities	34.1 Total Capital and Reserves less Liabilities	Total capital and reserves less total liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
35. Total Equity less Liabilities	35.1 Total Equity less Liabilities	Total equity less total liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
36. Non-current Assets less Liabilities	36.1 Non-current Assets less Liabilities	Total non-current assets less total non-current liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
37. Current Assets less Liabilities	37.1 Current Assets less Liabilities	Total current assets less total current liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
38. Total Assets less Liabilities	38.1 Total Assets less Liabilities	Total assets less total liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
39. Total Capital and Reserves less Liabilities	39.1 Total Capital and Reserves less Liabilities	Total capital and reserves less total liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
40. Total Equity less Liabilities	40.1 Total Equity less Liabilities	Total equity less total liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
41. Non-current Assets less Liabilities	41.1 Non-current Assets less Liabilities	Total non-current assets less total non-current liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
42. Current Assets less Liabilities	42.1 Current Assets less Liabilities	Total current assets less total current liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
43. Total Assets less Liabilities	43.1 Total Assets less Liabilities	Total assets less total liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
44. Total Capital and Reserves less Liabilities	44.1 Total Capital and Reserves less Liabilities	Total capital and reserves less total liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
45. Total Equity less Liabilities	45.1 Total Equity less Liabilities	Total equity less total liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
46. Non-current Assets less Liabilities	46.1 Non-current Assets less Liabilities	Total non-current assets less total non-current liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
47. Current Assets less Liabilities	47.1 Current Assets less Liabilities	Total current assets less total current liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
48. Total Assets less Liabilities	48.1 Total Assets less Liabilities	Total assets less total liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
49. Total Capital and Reserves less Liabilities	49.1 Total Capital and Reserves less Liabilities	Total capital and reserves less total liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
50. Total Equity less Liabilities	50.1 Total Equity less Liabilities	Total equity less total liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
51. Non-current Assets less Liabilities	51.1 Non-current Assets less Liabilities	Total non-current assets less total non-current liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
52. Current Assets less Liabilities	52.1 Current Assets less Liabilities	Total current assets less total current liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
53. Total Assets less Liabilities	53.1 Total Assets less Liabilities	Total assets less total liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
54. Total Capital and Reserves less Liabilities	54.1 Total Capital and Reserves less Liabilities	Total capital and reserves less total liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
55. Total Equity less Liabilities	55.1 Total Equity less Liabilities	Total equity less total liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
56. Non-current Assets less Liabilities	56.1 Non-current Assets less Liabilities	Total non-current assets less total non-current liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
57. Current Assets less Liabilities	57.1 Current Assets less Liabilities	Total current assets less total current liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
58. Total Assets less Liabilities	58.1 Total Assets less Liabilities	Total assets less total liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
59. Total Capital and Reserves less Liabilities	59.1 Total Capital and Reserves less Liabilities	Total capital and reserves less total liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
60. Total Equity less Liabilities	60.1 Total Equity less Liabilities	Total equity less total liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
61. Non-current Assets less Liabilities	61.1 Non-current Assets less Liabilities	Total non-current assets less total non-current liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
62. Current Assets less Liabilities	62.1 Current Assets less Liabilities	Total current assets less total current liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
63. Total Assets less Liabilities	63.1 Total Assets less Liabilities	Total assets less total liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
64. Total Capital and Reserves less Liabilities	64.1 Total Capital and Reserves less Liabilities	Total capital and reserves less total liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
65. Total Equity less Liabilities	65.1 Total Equity less Liabilities	Total equity less total liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
66. Non-current Assets less Liabilities	66.1 Non-current Assets less Liabilities	Total non-current assets less total non-current liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
67. Current Assets less Liabilities	67.1 Current Assets less Liabilities	Total current assets less total current liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
68. Total Assets less Liabilities	68.1 Total Assets less Liabilities	Total assets less total liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
69. Total Capital and Reserves less Liabilities	69.1 Total Capital and Reserves less Liabilities	Total capital and reserves less total liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
70. Total Equity less Liabilities	70.1 Total Equity less Liabilities	Total equity less total liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
71. Non-current Assets less Liabilities	71.1 Non-current Assets less Liabilities	Total non-current assets less total non-current liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
72. Current Assets less Liabilities	72.1 Current Assets less Liabilities	Total current assets less total current liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
73. Total Assets less Liabilities	73.1 Total Assets less Liabilities	Total assets less total liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
74. Total Capital and Reserves less Liabilities	74.1 Total Capital and Reserves less Liabilities	Total capital and reserves less total liabilities as at the end of the year less amounts paid or recovered during the year. This figure must agree to the nearest rupee.
